

Instructions for Using the Advanced Searching Tips & Tools

Enter an exclamation point (!) in front of a code to go directly to that code's information.

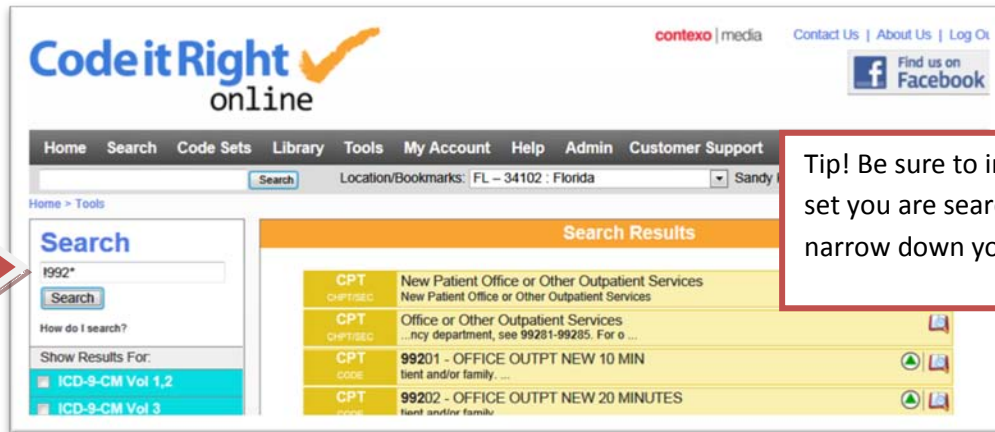

Tip! This technique will bypass the results screen and take you directly to the code!

Enter an exclamation point (!) in front of a code range to see a list of all the codes in that range as the search results.

Instructions for Using the Advanced Searching Tips & Tools

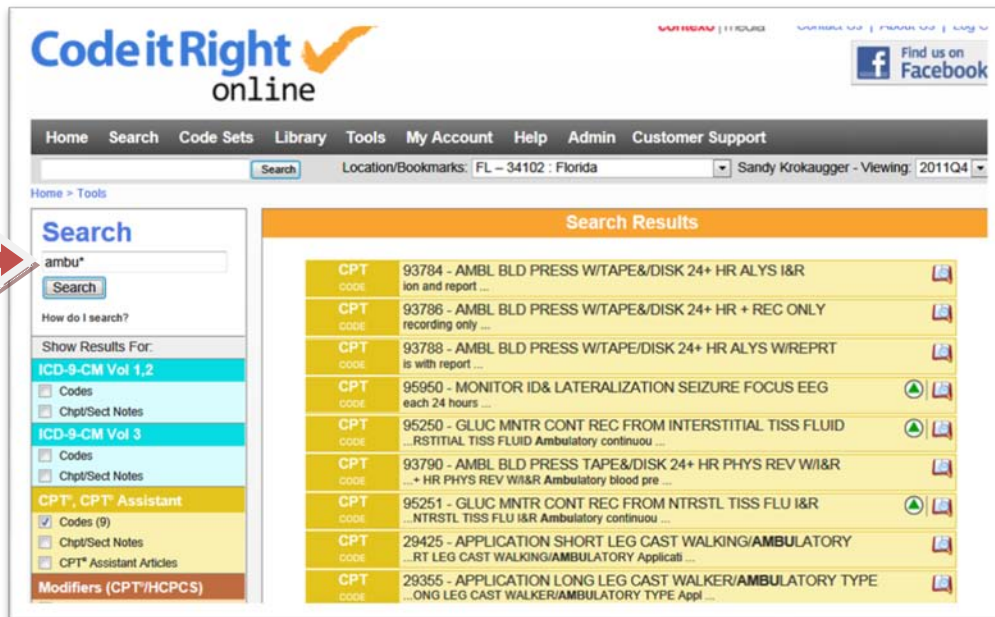

Enter an exclamation point (!) in front of a code and an asterisk (*) at the end of a code to see only codes that begin with the first few digits you entered.

The screenshot shows the Code it Right online search interface. The search bar contains '9992*' and the search button is highlighted with a red arrow. The search results are displayed in a table format. A red-bordered tip box on the right contains the text: 'Tip! Be sure to indicate which code set you are searching to further narrow down your results!'. The search results table includes the following entries:

CPT CODE	Description
CPT	New Patient Office or Other Outpatient Services
CPT	Office or Other Outpatient Services
CPT	99201 - OFFICE OUTPT NEW 10 MIN
CPT	99202 - OFFICE OUTPT NEW 20 MINUTES

Enter an asterisk (*) at the end of a word or code number to see results that contain words that begin with the preceding letters.

The screenshot shows the Code it Right online search interface. The search bar contains 'ambu*' and the search button is highlighted with a red arrow. The search results are displayed in a table format. The search results table includes the following entries:
